TURN OVER LEAF

Warm greetings from R.P.A family

Towards commemorating *National Science Day* and enhancing vision, the R.P.A College of Education is conducting an **Inter-School Science Expo** on 26.02.2016. It is with a view to inculcate scientific temper and to spur the creative sparks in the young minds, this platform is being provided. The expo displays will be assessed by senior scientist of ISRO, Trivandrum, **Dr. Xavier James**. Students are given an opportunity to interact with and be motivated by the scientist.

It will be a great honour for us if your institution gives opportunity to your students to exhibit their creativeness.

Attractive prizes and trophies will be given to the best project/exhibit at the commemorative function to be held immediately after the exhibition.

Chief Guest: Dr. Xavier James
(Senior Scientist ISRO, VSSC, Trivandrum)
