TURN OVER LEAF

Warm greetings from R.P.A family

There seems to be a paradigm shift in the mass attitude to higher education with innovation taking precedence over conventional professional courses and today's teacher aspirants require highly employable skill levels. R.P.A College of Education has built a reputation for quality teaching, case based learning and skill development internships. Being promoted by U.S.A based Educationists and Scientists, it is assisted locally by experienced academicians and scholars with the credo '*educate for eternity*'

As a part of enhancing its vision, the R.P.A College of Education, Mamoottukadai is conducting an Inter-College cultural competition to commemorate '*Inter National Women's Day - 2016*' on 10.03.2016.
